Sausalito Artists Celebrate 40-year Anniversary, Launch new Artists Association

Sausalito, CA—27 June, 2008—A festive year of celebration, highlighted by the formation of a new, formal artists association, ICB Artists Association, marks the 40th anniversary of artists' open studios at Sausalito's Industrial Center Building. The newly elected board of directors has announced plans for celebrations, collaborations and a calendar of events for artists, collectors and art lovers in the Bay Area and beyond, throughout the year. Officers and board members are as follows: Suzie Buchholz, president; Emily Dvorin, vice president; Carol Jacobson, secretary; Leslie Allen, treasurer; Dayna Willard, Dani Roach and Barry Peterson. ICB Artists Association will host workshops, seminars, artist talks, salons, model sessions and gallery events, which will be offered both to the public and to Bay Area artists.

With over 100 artists under one roof, the ICB is home to one of the largest artist communities in the country. This year's open studios, the fortieth consecutive annual event, will be the largest event ever hosted at ICB, since the first small group of artists opened their studio doors to the public in 1968. All media, including painting, sculpture, photography, textile arts, jewelry design, printmaking and more are represented within the ICBA.
